DAVID AYOBAMI ADEROPO

SECONDARY MATHEMATICS TEACHER | ENGLISH NATIONAL CURRICULUM EXPERIENCE

PUBLIC PORTFOLIO SAMPLE - PERSONAL CONTACT DETAILS REMOVED

Lagos, Nigeria | Available for international relocation

PROFESSIONAL PROFILE

Learner-centred educator with more than six years of classroom and school-leadership experience across Mathematics, Geography and technology-enabled learning. Recently taught KS3 Mathematics in a British-curriculum school, including pupils receiving Learning Support, using explicit modelling, guided practice, questioning and formative assessment. Brings a B.Sc. (Ed.) in Geography Education, completed assessment requirements for the Cambridge International Certificate in Teaching and Learning, strong pastoral and safeguarding experience, and practical competence in Coding, Robotics, AI and Data Analysis.

CORE STRENGTHS

KS3 Mathematics	English National Curriculum	Differentiation and scaffolding
Assessment for learning	Learning Support	Pastoral care and safeguarding
Coding and Robotics	AI and Data Analytics	Technology-enhanced learning

PROFESSIONAL EXPERIENCE

Greensprings School, Lekki, Lagos | Graduate Trainee Teacher and Assistant House Parent

Aug 2025 - Jul 2026

- Taught KS3 Mathematics in a British-curriculum environment, including pupils receiving Learning Support.
- Planned structured lessons using modelling, guided practice, purposeful questioning and independent work.
- Adapted pace, tasks and scaffolds to different starting points and used formative assessment to address misconceptions.
- Supported Coding, Robotics, Artificial Intelligence and Data Analysis learning.
- Supported boarding routines, wellbeing, behaviour, supervision and safeguarding as Assistant House Parent.

Teach For Nigeria, Sagamu | Fellow and Classroom Teacher

Sep 2023 - Jul 2025

- Taught and supported more than 70 pupils, with emphasis on foundational numeracy and whole-child development.
- Used learner data to identify gaps, plan support and communicate progress.
- Founded free Common Entrance tutorials for more than 40 pupils; over 90% progressed to a model school.
- Led digital-skills training and community outreach through the Tech Care Initiative.

Wisdom Comprehensive College, Osogbo | Mathematics and Geography Teacher

Mar 2022 - Jul 2023

- Taught Mathematics and Geography across junior and senior secondary levels, including SSCE preparation.
- Used worked examples, guided problem solving, assessment and feedback to strengthen mastery.

Baptist High School, Ibadan | Mathematics and Geography Teacher

Sep 2021 - Feb 2022

- Planned and delivered Mathematics and Geography lessons and supported assessment preparation.
- Applied structured explanation, questioning and feedback to improve understanding.

Champion Academy, Abeokuta | Class Teacher with Head Teacher Responsibilities

Sep 2012 - Jan 2016

- Taught pupils across Primary 1-6 and supported academic, behavioural and pastoral development.
- Coordinated classroom activities and contributed to curriculum delivery and school routines.

EDUCATION AND PROFESSIONAL DEVELOPMENT

Cambridge International Certificate in Teaching and Learning	Assessment completed, 2026
B.Sc. (Ed.) Geography Education, University of Ibadan	2017 - 2021
Teach For Nigeria Fellowship Certificate	2025
Red Cross Child Protection Training	2025
Advanced Cybersecurity Training for Teachers	2024
Teach4SDG	2024
Data Analysis and Microsoft Excel	Professional training

DIGITAL AND PROFESSIONAL SKILLS

Microsoft Office and Excel | Google Workspace | Digital assessment tools | Coding and Robotics | AI and Data Analytics | Online learning platforms | Safeguarding awareness

SELECTED TEACHING APPROACH

- Uses I Do - We Do - You Do, purposeful questioning and guided practice to build independence.
- Plans scaffolds for different starting points and checks understanding throughout the lesson.
- Connects Mathematics with technology, data and practical problem solving.
- Combines academic expectations with pastoral care, inclusion and safeguarding.

ADDITIONAL PROFESSIONAL ACTIVITY

Experience includes academic and professional editing, community digital-skills training, and the design of free examination-preparation support for pupils.

PORTFOLIO NOTE

This public version is based on a recent school-application CV. Phone number, email address and referee details have been removed for privacy. A real application should always be tailored to the exact vacancy.
